

AC401V

REMOVABLE TEXTILE LABEL

Description

AC401V Acetate satin self-adhesive, removable from

textile. Material	100 % Acetat
--------------------------	--------------

Finishing	Satin
------------------	-------

Color	White
--------------	-------

Temperature	Up to 120 °C
--------------------	--------------

Liner	Paper white
--------------	-------------

Material

Satin, 100% acetate, dense, fine construction, pigmented pre-coating, dimensionally stable, flexo and offset printable surface finishing

Coating

Special acrylate dispersion self-adhesive, guaranteed residue-free removable from textile, UV-stable, good removal properties, short-term approx. 120 °C temperature resistant.

Liner

Approx. 81 g/m² glassine backing paper, white, siliconized on one side, transparent.

Applications

Visitor labels, identification labels for trade fairs and exhibitions. Removable pattern labels. Suitable for thermal transfer printing

Storage

Store cool (about 18°C) and at 50-60% humidity. Avoid heat and frost sources.
